TECHNICAL SKILLS

Frontend

- React 18
- TypeScript
- JavaScript (ES6+)
- HTML5 & CSS3
- Responsive Design

Architecture

- React Hooks
- useState / useEffect
- useCallback
- Component Architecture
- SPA Development

Tools

- Git & GitHub
- GitHub Actions
- Vite
- npm
- VS Code

Concepts

- REST APIs
- Type Safety
- localStorage
- CI/CD

LANGUAGES

Czech

Native speaker

English

Technical (reading/writing)

Profile

Junior Frontend Developer focused on React and TypeScript. Built 16+ projects with real-world logic, REST API integration, and scalable component architecture. Transitioned from operations management into development through intensive self-learning. Seeking a junior frontend role in Prague.

Projects

React + TypeScript Portfolio

Live Demo | GitHub

4 production apps with API integration and automated CI/CD via GitHub Actions — Expense Tracker, Weather App, Task Manager, Counter.

React 18 TypeScript REST API GitHub Actions Vite

Movie Search Application

Live Demo | GitHub

1000+ movies from TMDb API with debounced search (500ms), filtering by genre/year/rating, localStorage favorites. Refactored from 800-line monolith into reusable components.

React TMDb API useCallback Component Architecture

JavaScript Projects Collection

Live Demo | GitHub

7 vanilla JS apps demonstrating DOM manipulation, async/await, and SPA logic — Quiz App with Open Trivia API, Weather App with search history.

JavaScript ES6+ DOM async/await

CSS Practice Projects

Live Demo | GitHub

Responsive landing pages built with CSS Grid and Flexbox, mobile-first approach.

CSS3 Flexbox CSS Grid Responsive Design

Experience

Operations Manager

2024 – Present

KFC Prague

- Coordinated cross-functional teams; tracked KPIs and optimized workflows through data analysis
- Delivered projects on schedule through structured planning and stakeholder communication

Shift Manager → Facility Manager Training

2023 – 2024

KFC Prague

- Led shift operations and team scheduling; mentored staff and managed performance

Crew Member → Instructor

2023

KFC Prague

- Promoted to instructor within one month; onboarded and trained new team members

Education

Maintenance Engineering — Czech Technical University, Prague | 2020 – 2022

Self-Directed Learning — React Docs, JavaScript.info, TypeScript Docs, MDN Web Docs
